## Available Workshops and Assessments

*For questions about the workshops or assessments below, please call or stop in for more information.*

### **AJC & Client Portal Application Lab**

Are you in need of assistance with creating your azjobconnection.gov account or completing your client portal application? If yes, please call us to register, so that a trainer can guide you in our computer lab with completing the process.

### **Basic Computer Skills**

Would you like to increase your ability to perform basic tasks on a computer? In this hands-on workshop, you will learn how to search the internet, create, compose and save a Word document, create an email account, and how to open, compose and send an email. Also learn to attach a Word document to email. This is an interactive workshop where you will learn, apply, and practice these basic tasks.

### **Financial Empowerment**

This workshop is for those looking for tips and resources on how to manage their money. It covers topics such as planning your finances, budgeting, saving, credit, and debt. Attend this workshop if you would like resources to be more financially empowered.

### **Job Search Assistance**

Attend this interactive workshop to gain confidence and guidance for a successful job search. You will learn what to prepare when submitting a job application and will leave with resources and your job leads.

### **Job Interview Practice**

If you would like to learn how to improve your interview skills and practice for a job interview, our staff can assist you with a one-on-one mock interview to prepare you for an upcoming in-person or virtual job interview. We are happy to help! Attend this workshop to increase your success in the interview process!

### **Introduction to Entrepreneurship**

Have you thought about starting your own business but not sure where to start? This workshop will give you an overview of entrepreneurship. Topics include determining if owning your own business is a good fit for you, planning for a healthy business, the importance of time management, record keeping, and risk management.

### **Office Skills Assessments (OPAC) & Typing Tests**

If you need to take a typing test, or another office skills assessment, either to use in your resume or provide to an employer, come to one of our Office Proficiency Assessment and Certification (OPAC) sessions.

- Typing Test (speed and accuracy), 10-key and Data Entry
  - Microsoft Office Applications including Windows 10, Word, Excel, PowerPoint, Outlook
  - Customer Service, Clerical, Financial, and Professional Assessments are also offered
- Call ahead (use the number at the top of the calendar) is preferred, but not required. Walk-ins welcome.

### **Resume Writing**

Do you need help writing your resume? Come to this class and learn how to format and write a basic resume. Get your resume accepted by computer tracking systems and land yourself an interview! Stay after this class for our Resume Lab to write and walk away with a resume.

### **Resume Lab**

Come to this hands-on lab with your work history. You'll sit at a computer and write your resume with the assistance of a workforce staff person. \*You must attend Introduction to Resume Writing prior to attending this lab. You may attend the lab, week after week, as many times as you like.

### **Virtual Orientation**

This orientation is an introduction to services provided by ARIZONA@WORK Maricopa County.

### **Youth Assessments**

Eligible Youth participants complete assessments that measure their math and reading levels. They also complete an Interest Profiler that helps them to identify potential career paths.
