Prioritize Strategies

Goal Group #1 and #2 will work together to coordinate a focus group with employers to learn the type of training needed for their employment opportunities.

Goal Group #1 will also work on reviewing the program listed on the Eligible Training Provider List. As a first step, Dr. Jani Attebery will ask Central Arizona College (CAC) staff to review the list of CAC's Training Programs by Campus that was developed at

Supervisor Goodman's request, and the CAC training programs currently approved on the Eligible Training Provider List (ETPL) to determine if CAC is interested in having additional training programs reviewed to be listed on the ETPL. A focus of this review includes the possibility of adding new training programs that CAC is offering to prepare students to work in the trades to the ETPL.
