## Available Workshops and Assessments

*For questions about the workshops or assessments below, please call or stop in for more information.*

### AJC & Client Portal Application Lab

Are you in need of assistance with creating your azjobconnection.gov account or completing your client portal application? If yes, please call us to register, so that a trainer can guide you in our computer lab with completing the process.

### Basic Computer Skills

Would you like to increase your ability to perform basic tasks on a computer? In this hands-on workshop, you will learn how to search the internet, create, compose and save a Word document, create an email account, and how to open, compose and send an email. Also learn to attach a Word document to email. This is an interactive workshop where you will learn, apply, and practice these basic tasks.

### CPR/AED & FIRST AID Certification

This class offers training in CPR/AED (infant/ child/ adult) and First Aid. Our blended learning approach combines self-paced review of training materials provided to you upon registration to prepare for a written test. Followed by an in-person class session where you'll practice and perform hands-on CPR skills. To ensure readiness, registration is required at least one week prior to the class. This allows time for you to review the training materials that you will receive upon registration for the class. During the scheduled in-person session, you will first take a written test based on the learning materials you received prior, followed by a review of the test. The second part of class will focus on a skills practice and then a performance evaluation of your skills.

- Upon successful completion of the written test and skills performance evaluation, you will receive your certification card that same day!
- Please call us or e-mail [HSDTrainingTeam@maricopa.gov](mailto:HSDTrainingTeam@maricopa.gov) to get registered.

### Financial Empowerment

This workshop is for those looking for tips and resources on how to manage their money. It covers topics such as planning your finances, budgeting, saving, credit, and debt. Attend this workshop if you would like resources to be more financially empowered.

### Job Search Assistance

Attend this interactive workshop to gain confidence and guidance for a successful job search. You will learn what to prepare when submitting a job application and will leave with resources and your job leads.

### Job Interview Practice

If you would like to learn how to improve your interview skills and practice for a job interview, our staff can assist you with a one-on-one mock interview to prepare you for an upcoming in-person or virtual job interview. We are happy to help!

Attend this workshop to increase your success in the interview process!

### Introduction to Entrepreneurship

Have you thought about starting your own business but not sure where to start? This workshop will give you an overview of entrepreneurship. Topics include determining if owning your own business is a good fit for you, planning for a healthy business, the importance of time management, record keeping, and risk management.

### Office Skills Assessments (OPAC) & Typing Tests

If you need to take a typing test, or another office skills assessment, either to use in your resume or provide to an employer, come to one of our Office Proficiency Assessment and Certification (OPAC) sessions.

- Typing Test (speed and accuracy), 10-key and Data Entry • Microsoft Office Applications including Windows 10, Word, Excel, PowerPoint, Outlook
- Customer Service, Clerical, Financial, and Professional Assessments are also offered. Call ahead is preferred, but not required. Walk-ins welcome.

### Resume Writing

Do you need help writing your resume? Come to this class and learn how to format and write a basic resume. Get your resume accepted by computer tracking systems and land yourself an interview! Stay after this class for our Resume Lab to write and walk away with a resume.

### Resume Lab

Come to this hands-on lab with your work history. You'll sit at a computer and write your resume with the assistance of a workforce staff person.

\*You must attend Introduction to Resume Writing prior to attending this lab. You may attend the lab, week after week, as many times as you like.

### Virtual Orientation

This orientation is an introduction to services provided by [ARIZONA@WORK.MARICOPA.COUNTY.EDU](mailto:ARIZONA@WORK.MARICOPA.COUNTY.EDU).

### Youth Assessments

Eligible Youth participants complete assessments that measure their math and reading levels. They also complete an Interest Profiler that helps them to identify potential career paths.
